**BRINGING PROGRESS
TO THE REAL WORLD**

dvpug

If you have an interest in Progress Software, you are invited to join the **Delaware Valley Progress Users Group**. Our next meeting will focus on the release of **OpenEdge 10.1**, featuring a presentation by **David Olson of Progress Software**. Join fellow Progress users for this technical session and a complimentary lunch at Maggiano's Restaurant! Visit DVPUG on the web at www.dvpug.org for more details.
