**BRINGING PROGRESS  
TO THE REAL WORLD**

If you have an interest in Progress Software, you are invited to join the **Delaware Valley Progress Users Group**. Our next meeting will focus on the release of **OpenEdge 10.1**, featuring a presentation by **David Olson of Progress Software**. Join fellow Progress users for this technical session and a complimentary lunch at Maggiano's Restaurant! Visit DVPUG on the web at [www.dvpug.org](http://www.dvpug.org) for more details.

882 South Matlack St. Suite 110  
West Chester, PA 19382
