If you are a Progress user, you are enthusiastically invited to join the DVPUG. If you can't be there, non-attending memberships are available on-line at www.dvpug.org. Our meetings provide opportunities for Progress users to hear outstanding speakers presenting Progress technologies and a place to share ideas. You'll also have a chance at winning great door prizes including a Handspring Visor Neo. Join now and be eligible for a 10% discount at Exchange 2002. First-year free charter memberships available online at www.dvpug.org.
